LH:

Good morning.

Please find attached my text for the first draft of slide text (which will be dressed up).

I plan to spin fast through slides 1-12, slow through 22-24.

Full speaking points are attached for your review, and it's about 4,000 words so far.

It is hard-hitting. Maybe too so.

Please add red text edits as you read.

Also, not sure I follow the standard certificate vs. the special certificate.
