

Sarah Sprinkel voted **against** the recommendation of your neighbors on the Tree Preservation Board and city staff for the city's commitment to maintain and remove/replace trees in the right of way. **This makes YOU responsible!**

Sandy Womble disagrees with this **BAD** decision. She supports reinstating this important recommendation to the Urban Forestry Management Plan.

Sarah Sprinkel is trying to confuse you on her vote. Don't take our word. See her vote for yourself in public information.

**REGULAR MEETING OF THE CITY COMMISSION
January 13, 2014**

Motion amended by Commissioner Leary to remove the first sentence of the first bullet point on page 19 which reads "City will implement, over time as the budget allows, ROW tree maintenance as a standard City service." (the Commission requested that this item be defined/quantified/qualified and brought back to them); seconded by Mayor Bradley.

Upon a roll call vote on the first amendment, Mayor Bradley and Commissioners Leary, Sprinkel voted yes. Commissioners Cooper and McMacken voted no. The motion carried with a 3-2 vote.
